

U.S. Customs and
Border Protection

JUL 26 2016

MEMORANDUM FOR: See Distribution (b) (6), (b) (7)(C)
FROM: (b) (6), (b) (7)(C)
Executive Director
Policy Directorate, Operations Support
SUBJECT: CBP Vehicular Pursuit Reporting in Assaults and Use of Force
Reporting System (AUFRS)

Background: As part of Commissioner Kerlikowske's transparency and Use of Force initiatives, we are updating policies on vehicular pursuit, including incident reporting. CBP Directive 4510-25 titled "Emergency Driving and Vehicular Pursuits by Customs and Border Protection Personnel" has governed CBP initiated vehicular pursuits since 2009. The Policy Directorate is updating this document to reflect a more consistent method of capturing, tracking and reporting all CBP initiated vehicle pursuits by United States Border Patrol agents and Office of Field Operation Officers.

Requirements: Effective Thursday, July 28, 2016, consistent with both current and policy directive under review by the Commissioner (C1), all vehicle pursuits initiated by CBP components are to be reported in the Assaults and Use of Force Reporting System (AUFRS). The enhancements will provide CBP leadership with the necessary tools to (b) (7)(E)
(b) (7)(E)

(b) (7)(E) This reporting and tracking requirement is in addition to existing Situation Room (SITROOM) reporting responsibilities. AUFRS will aggregate the data for use in reports compiled by CBP.

Support: AUFRS is accessible via CBPnet, at (b) (7)(E). A training presentation and practice site are available through the Help option in the AUFRS menu. System use questions may be directed to the Operations Support, Law Enforcement Officer/Agent Safety and Compliance Directorate (LESC), formerly the Use of Force Center of Excellence at (b) (6), (b) (7)(C). Technical questions may be directed to the Technology Service Help Desk at (b) (6), (b) (7)(C) or the LESC at (b) (6), (b) (7)(C).

This initial reporting data will enable a fully informed final C1 signed policy later this year. Questions regarding CBP vehicle pursuit policy may be directed to Policy Directorate (A) Deputy Executive Director, (b) (6), (b) (7)(C) or CBPO (b) (6), (b) (7)(C)
